Hey Jonathan,

Following up on the rule 4 waivers.

Also, I wanted to give you a heads up that April Lampros has asked me to file her lawsuit. I will file it tomorrow around 5pm.

Delivered

I am dealing with the waivers but don't file tomorrow. I want to speak to you before you do anything. Let's speak Friday morning. I have an all-day deposition tomorrow in a very important case. Don't get ahead of yourself please.

Are you complying with my request, I need to know.
